SEATTLE PARK DISTRICT GREENWAYS INITIATIVE ICE CREAM SOCIAL

Join us for ice cream and an opportunity to learn about the Seattle Park District Greenways Initiative.

Seattle Parks and Recreation invites the community to learn about the Seattle Park District funded Greenways Initiative. Seattle Parks and Recreation Greenways Initiative funds projects and programs to connect, enhance and activate links from Neighborhood Greenways to parks by improving access and amenities for pedestrians and bicycles. These Greenway corridors will offer safe and calm residential streets and provide comfortable and attractive places for people of all ages and abilities to walk and ride.

Two projects that will be completed in 2016 are in south Seattle at Rainier Beach Playfield and John C. Little Sr. Park. We are meeting with these communities to plan activation around these enhancements. For more information about activation, connecting and engaging communities in these neighborhoods and how you can be involved please contact us and visit this site www.seattle.gov/parks/projects/greenways/.
